

RESPONSE BY: MARGARET QUIRK, INCUMBENT MAYORAL CANDIDATE, GEORGINA

SPACE:

How will you ensure that artists in your municipality receive affordable space to create and showcase their work?

We have the Georgina Arts Centre and Gallery to provide space to both create and display work as well as the nearby Link building (a community hub) that also has programming and display space.

What will you do to support/promote the Georgina Arts Centre and Gallery to increase its visibility and viability?

Georgina is fortunate to have the Georgina Arts Centre and Gallery in our municipality. The Town of Georgina has a Service Agreement with the Arts Centre to provide programming to our residents and to provide a gallery to showcase local talent. I will continue to support them in their programming here in Georgina.

How do you envision the inclusion of local art in the public realm?

We have two major capital projects coming to Georgina in the next couple of years, our new Multi Use Recreation Complex (MURC) and a new Civic Centre. Both buildings will offer to opportunity to showcase local art by providing an informal gallery space for local artists.
